

# Übung 25

Name: \_\_\_\_\_

Addiere folgende Brüche und markiere dein Ergebnis farbig.

$$2 \frac{3}{4} + \frac{3}{4} \Rightarrow \left[ \begin{array}{|c|c|} \hline & \\ \hline & \\ \hline \end{array} \right] \left[ \begin{array}{|c|c|} \hline & \\ \hline & \\ \hline \end{array} \right] \left[ \begin{array}{|c|c|} \hline & \\ \hline & \\ \hline \end{array} \right] \left[ \begin{array}{|c|c|} \hline & \\ \hline & \\ \hline \end{array} \right] = \boxed{\quad}$$

$$1 \frac{2}{7} + 1 \frac{6}{7} \Rightarrow \left[ \text{heptagon} \right] \left[ \text{heptagon} \right] \left[ \text{heptagon} \right] \left[ \text{heptagon} \right] = \boxed{\quad}$$

$$2 \frac{3}{5} + 1 \frac{4}{5} \Rightarrow \left[ \text{circle} \right] \left[ \text{circle} \right] \left[ \text{circle} \right] \left[ \text{circle} \right] \left[ \text{circle} \right] = \boxed{\quad}$$

$$5 \frac{3}{12} + \frac{10}{12} \Rightarrow \left[ \text{dodecagon} \right] \left[ \text{dodecagon} \right] \left[ \text{dodecagon} \right] \left[ \text{dodecagon} \right] \left[ \text{dodecagon} \right] \left[ \text{dodecagon} \right] \left[ \text{dodecagon} \right] = \boxed{\quad}$$

$$4 \frac{4}{6} + 1 \frac{3}{6} \Rightarrow \left[ \text{hexagon} \right] \left[ \text{hexagon} \right] \left[ \text{hexagon} \right] \left[ \text{hexagon} \right] \left[ \text{hexagon} \right] \left[ \text{hexagon} \right] \left[ \text{hexagon} \right] = \boxed{\quad}$$

$$2 \frac{4}{8} + 2 \frac{7}{8} \Rightarrow \left[ \text{octagon} \right] \left[ \text{octagon} \right] \left[ \text{octagon} \right] \left[ \text{octagon} \right] \left[ \text{octagon} \right] \left[ \text{octagon} \right] = \boxed{\quad}$$

$$3 \frac{1}{3} + 1 \frac{2}{3} \Rightarrow \left[ \text{cube} \right] \left[ \text{cube} \right] \left[ \text{cube} \right] \left[ \text{cube} \right] \left[ \text{cube} \right] = \boxed{\quad}$$

$$4 \frac{5}{10} + 1 \frac{8}{10} \Rightarrow \left[ \text{circle} \right] \left[ \text{circle} \right] \left[ \text{circle} \right] \left[ \text{circle} \right] \left[ \text{circle} \right] \left[ \text{circle} \right] \left[ \text{circle} \right] = \boxed{\quad}$$
