

Übung 6

Name: _____

Addiere die dargestellten Zahlen. Markiere dein Ergebnis farbig und rechne aus.

$$\begin{array}{c} \text{[Grey square]} \end{array} + \begin{array}{c} \text{[2x2 grid with 2 shaded cells]} \end{array} = \begin{array}{c} \text{[Empty square]} \end{array} \begin{array}{c} \text{[2x2 grid]} \end{array}$$

$$\begin{array}{c} \text{[Empty square]} \end{array} + \begin{array}{c} \text{[Empty square]} \end{array} = \begin{array}{c} \text{[Empty square]} \end{array}$$

$$\begin{array}{c} \text{[Grey circle]} \end{array} \begin{array}{c} \text{[8-segment circle with 2 segments shaded]} \end{array} + \begin{array}{c} \text{[Grey circle]} \end{array} \begin{array}{c} \text{[8-segment circle with 2 segments shaded]} \end{array} = \begin{array}{c} \text{[Empty circle]} \end{array} \begin{array}{c} \text{[Empty circle]} \end{array} \begin{array}{c} \text{[8-segment circle]} \end{array}$$

$$\begin{array}{c} \text{[Empty square]} \end{array} + \begin{array}{c} \text{[Empty square]} \end{array} = \begin{array}{c} \text{[Empty square]} \end{array}$$

$$\begin{array}{c} \text{[Grey square]} \end{array} \begin{array}{c} \text{[2x2 grid with 1 shaded cell]} \end{array} + \begin{array}{c} \text{[Grey square]} \end{array} \begin{array}{c} \text{[2x2 grid with 2 shaded cells]} \end{array} = \begin{array}{c} \text{[Empty square]} \end{array} \begin{array}{c} \text{[Empty square]} \end{array} \begin{array}{c} \text{[2x2 grid]} \end{array}$$

$$\begin{array}{c} \text{[Empty square]} \end{array} + \begin{array}{c} \text{[Empty square]} \end{array} = \begin{array}{c} \text{[Empty square]} \end{array}$$

$$\begin{array}{c} \text{[Grey circle]} \end{array} \begin{array}{c} \text{[8-segment circle with 4 segments shaded]} \end{array} + \begin{array}{c} \text{[Grey circle]} \end{array} \begin{array}{c} \text{[8-segment circle with 4 segments shaded]} \end{array} = \begin{array}{c} \text{[Empty circle]} \end{array} \begin{array}{c} \text{[Empty circle]} \end{array} \begin{array}{c} \text{[8-segment circle]} \end{array}$$

$$\begin{array}{c} \text{[Empty square]} \end{array} + \begin{array}{c} \text{[Empty square]} \end{array} = \begin{array}{c} \text{[Empty square]} \end{array}$$

$$\begin{array}{c} \text{[Grey circle]} \end{array} \begin{array}{c} \text{[8-segment circle with 3 segments shaded]} \end{array} + \begin{array}{c} \text{[Grey circle]} \end{array} \begin{array}{c} \text{[8-segment circle with 3 segments shaded]} \end{array} = \begin{array}{c} \text{[Empty circle]} \end{array} \begin{array}{c} \text{[Empty circle]} \end{array} \begin{array}{c} \text{[8-segment circle]} \end{array}$$

$$\begin{array}{c} \text{[Empty square]} \end{array} + \begin{array}{c} \text{[Empty square]} \end{array} = \begin{array}{c} \text{[Empty square]} \end{array}$$
